DAY TO DAY ITINERARY

Day 1

Embarkation at Lavrion between 14:00-15:00. Enjoy our signature cocktail during your smooth check-in. Welcome cocktails and dinner are followed by the lifetime experience of crossing the impressively narrow and beautiful Corinth Canal. Overnight at sea.

Day 2

Early morning arrival at Itea, the perfect base for exploring Delphi or the enchanting seaside town of Galaxidi, with our optional tours. The ancient sanctuary of Delphi, a UNESCO World Heritage site, is known as the “navel of the world” from where the Oracle Pythia gave her prophecies. The romantic and tranquil town of Galaxidi has a rich maritime history and was once one of Greece’s wealthiest ports and shipyards. Beautiful neoclassical architecture and pebble covered courtyard are immaculately preserved to this day. Dinner onboard. Overnight at sea to Katakolon.

Day 3

Morning arrival at Katakolon port, our base for exploring Ancient Olympia, another UNESCO World Heritage site of major importance as it is the birthplace of the Olympic Games. To this day the Olympic flame is lit from the rays of the sun at the Temple of Hera and passed on by a High Priestess. Late afternoon we set sail for Gytheion. Dinner onboard and overnight at sea

Day 4

Wake up at the “Land of the Gods”, Gytheio. Gytheio is the site of ancient Cranae, a tiny island where according to legend Paris of Troy and Helen of Sparta spent their first night together before departing for Troy, thus igniting the Trojan War. Explore this relaxing and romantic place or join an optional tour to the stunning fortified settlement of Mystras, yet another UNESCO World Heritage site in our journey. Sitting proudly on mount Taygetos, Mystras served as the capital of the Byzantine settlement of Morea during the 14th and 15th centuries. Lunch on board. In the evening enjoy dinner at one of the many traditional fish tavernas in Gytheion. Overnight at port.

Day 5

In the morning enjoy a swim stop (weather permitting) at the tiny and magical beach of Elafonissos, featuring sand hills and turquoise tropical waters, a NATURA protected habitat. Lunch onboard the Elysium. In the afternoon we arrive at the immaculately preserved medieval town of Monemvasia, meaning “the only entrance”. Explore its fairytale beauty and walk its narrow, pebbled alleys. Enjoy a romantic dinner with local cuisine and wine before returning to Elysium for our overnight sail to Nafplion.

Day 6

After breakfast set out to explore Nafplion and the surrounding area. Take a guided tour to the Ancient City of Mycenae and the ancient sanctuary of Asclepius in Epidaurus, both UNESCO World Heritage sites of great historical significance. Upon return, visit the many museums in Nafplion: the Archaeological Museum, the War Museum, former site of the first Military School in Greece or the Komboloi Museum where you may also participate in a workshop to create your own. Enjoy a romantic evening at one of the most elegant cities in Greece. Overnight at port.

Day 7

Early in the morning we set sail to the Saronic island of Hydra. Enjoy a leisurely walk at one of the most cosmopolitan and equally romantic destinations in Greece. Hydra is an architectural reserve, free of motor vehicles, and summer home to many international celebrities. It has recently been named by UNESCO “The best preserved island in the Mediterranean”. Farewell dinner onboard en route to Lavrion port.

Day 8

Disembarkation at Lavrion port before 10:00, after breakfast.

Cruise itinerary changes

The carrier reserves the right, at its sole option and discretion and that of the captain of the ship, without liability for damages or refund of any kind, to alter or deviate from the ship's advertised or ordinary itinerary or route due to weather conditions, force majeure, assistance to other ships in distress, saving of life at sea or other extraordinary conditions. Under such extreme circumstances, passengers are not entitled to any claims or refunds. The carrier will however make every effort that passengers access their port of disembarkation on time for their outwards flights.

HEALTH PROTOCOLS

The health and well-being of passengers and crew is our highest priority. The smaller, more intimate size of the Elysium is on its own an assurance of a higher safety level. Due to Covid-19, we are taking additional steps and applying even more rigorous cleaning and disinfecting protocols. We are actively following all World Health Organization updates regarding Covid-19 and adjust our strategies accordingly, to ensure we meet the latest guidance of hygiene and cleaning.

These are some of the measures applied on board the Elysium.

- Crew members are monitored daily for good health
- UV sterilization of all staterooms and public areas
- Use of approved disinfecting cleaning products effective against viruses
- Strict cleaning and disinfecting protocols are also applied “behind the scenes” in areas like the kitchen, laundry room, crew quarters
- Air management, enhanced filters and other technologies are applied where feasible to ensure fresh air circulation

See you soon onboard the Elysium!
